Important Airport Check-In Details

If you chose electronic tickets, we will send you a confirmation of your itinerary by regular mail. Your electronic ticket confirmation is helpful for reference, but you do not need this confirmation to travel. All you need for airport check-in is a valid photo ID.

If you chose standard paper tickets, you should receive them within 2-3 business days. Remember that a signature is required for delivery and you will need a valid photo ID for airport check-in.

Airlines require that passengers check-in at the boarding gate at least 1 hour (2 hours for international) before the scheduled flight departure time. Be sure to give yourself plenty of time to get to the airport: if you fail to arrive at your gate on time, the airline has the right to cancel your reservation and make you ineligible for denied boarding compensation. Tickets issued through priceline cannot be changed or used on a later date.

If you have any questions or need assistance, please call our Customer Service Department at 1-800-340-0575.

Special Information for International Travelers

Also, international travel will almost always require a passport and/or visa depending on the country you're traveling to. Because it is the
